LETTER FROM THE BOARD PRESIDENT

MARY P. GRAY

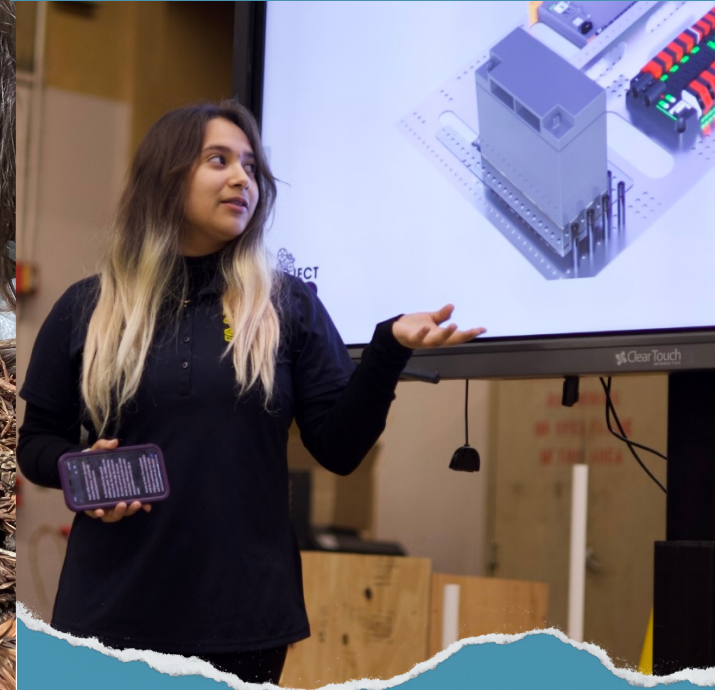

Imagine a ten-year-old student seeing a redwood forest for the very first time, their eyes taking in the sight of those impossibly massive trees. We are proud that we have helped fund these outdoor education camp experiences for district fifth graders, some of whom have never had an opportunity to visit a forest before.

Now in its seventh year, the Mt. Diablo Education Foundation provides an array of diverse enrichment programs for students throughout the Mt. Diablo Unified School District, regardless of zip code. These programs excite students and contribute to less absenteeism. The students' enthusiasm is palpable when they discover animals in a tidepool, create beautiful visual art, or build a competition robot. Your commitment to help fund these experiences allows us to offer new opportunities for our students, expand programs, and inspire more learning.

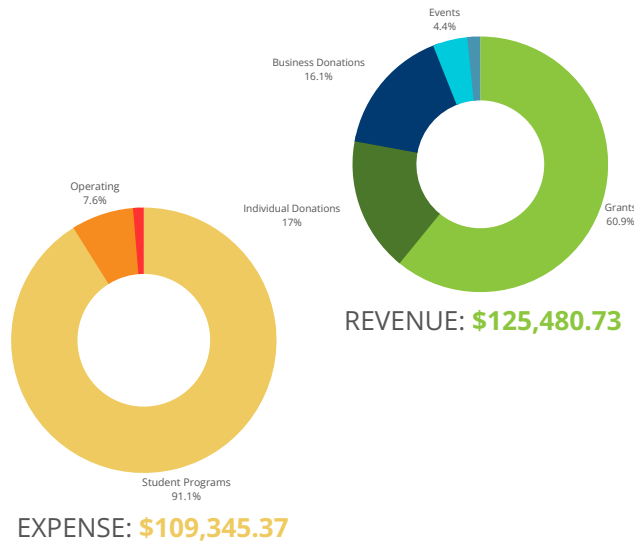

Geologically, Mount Diablo grows a little more each year. Similarly, the foundation grows each year to help spark learning and creativity throughout the district. Our individual, business, and professional donors are the key, and they can be found on our website. Please join us in elevating the learning all of MDUSD students. Will you help?

OUR MISSION is to promote excellence in the educational experience of students who attend schools governed or authorized by the Mount Diablo Unified School District.
