As 2022 draws to a close, we reflect on the many programs that have enriched our students' education this year, and we know that they were only possible thanks to your support.

If you have already made a donation, we send our deepest appreciation and are grateful that you value our mission of ensuring STEAM opportunities for all MDUSD students, regardless of zip code. If you haven't yet donated, it's not too late.

***This holiday season give the gift of knowledge by donating to the Mt. Diablo Education Foundation.***

## MDEDF aiming to raise \$12K for STEAM on Giving Tuesday

By [The Pioneer](#)

CONTRA COSTA COUNTY, CA (Nov. 25, 2022) — On November 29, people all over the world will come together and harness the power of human connection to change our world. Will you join in?

Mt. Diablo Education Foundation has set a #GivingTuesday goal to raise \$12,000 for STEAM programs districtwide. This includes helping more elementary students attend [Exploring New Horizons](#) outdoor education camps. These multi-day experiences became a rite of passage for many students in the past. But now, many schools struggle to raise the money needed to fully fund these trips.

Will you help? Here are 3 easy ways:

**Donate now.** Don't want to wait until Giving Tuesday? [Donate today](#) and know that your donation will go towards funding STEAM programs for our students.

**Spread the word.** Encourage friends, family, and colleagues to join you. Share on social media what quality STEAM education means to you. Use the special hashtag #MDEDFGIVE and tag foundation socials in your post to harness the power of social media and connection to help share your story.

**Ask your employer if they match donations too.** Some companies even match #GivingTuesday employee donations at \$2 for every \$1 given.

No amount is too small, and every dollar you give directly benefits the students. These donations ensure that all students in the Mt. Diablo Unified School District, regardless of zip code, have access to quality STEAM opportunities.

## Together We Can

Ready to help students experience hands-on science education with a focus on adventure, self-discovery, and environmental stewardship? Thanks to donors like you, last year we funded Exploring New Horizons tide pool field trips for three of our Title I elementary schools. For some students this was their first time exploring tidepools or even seeing the ocean in person. This year we want to help more of our students attend multi-day outdoor education camps.

Mt. Diablo Education Foundation is dedicated to promoting quality public education for **every** student. Today is GivingTuesday, a global day of giving — and together we can do even more to create exceptional educational experiences for our students. But we can't do this without you! Here's how you can help:

- **Donate now. [Donate today](#)** and know that your donation will go towards funding STEAM programs for our students.
- **Spread the word!** Encourage friends, family, and colleagues to join you. Share on social media what quality STEAM education means to you. Use the special hashtag #MDEDFGIVE and tag foundation socials in your post to harness the power of social media and connection to help share your story!
- **Ask your employer if they match donations too.** Some companies even match #GivingTuesday employee donations at \$2 for every \$1 given.

Thank you for being a part of the Mt. Diablo Education Foundation team.

Mt. Diablo Education Foundation highlights donors

As part of its fundraising campaign for contributions to programs that benefit Mt. Diablo Unified School District students, the Mt. Diablo Education Foundation has created a Professional Honor Roll designation to highlight donors in our community who believe in giving back to local schools. One such donor is Tom Nevin, who explained his reasons for contributing to education in a recent foundation Facebook [post](#).

He wrote, in part: "The Mt. Diablo Education Foundation exists to promote the value of a well-rounded education for all children in the Mt. Diablo School District and to replace

some of what disappeared from California public education as a result of the passage of Proposition 13 in 1978. As a local Real Estate Broker I introduce a lot of people to our district in the course of helping them purchase a home. I tell the story of California public education and the shining star that is the Mt. Diablo Education Foundation. It is very a positive and hopeful way to introduce them to this amazing area where they have chosen to raise their family."

**Mt. Diablo Education Foundation launches Annual Giving Campaign**

The Mt. Diablo Education Foundation has launched its Annual Giving Campaign, called: "Give 100% for kids!"

Here is its message (also in the attached letters in [English](#) and [Spanish](#)):

"The Mt. Diablo Education Foundation is a 501(c)3 non-profit led by a volunteer group of parents, educators, and community members who believe in high-quality public education.

While we work closely with MDUSD, we are a separate, independent entity from the district.

Over the last few years, your students have benefited from supplemental educational resources and opportunities in Science, Technology, Engineering, Art, and Math (STEAM) funded by the Foundation. We know that funding cuts have forced the District to make difficult choices, and the Foundation works to ensure your students get a high quality, well-rounded education. In order to fulfill this mission, we need your support.

For our annual giving campaign, we're asking you to "Give 100" for MDUSD kids – because we know your students deserve nothing less than 100% effort. We are suggesting a gift of \$100 per family (\$10 per month for the 10 months of school) – whether you can give \$10 or \$1,000, every gift makes a difference and every dollar counts.

If your school has a Parent-Faculty Club (PFC) or Parent-Teacher Association (PTA), we understand you may have already donated to your child's school. We hope you will consider making an additional gift to Mt. Diablo Education Foundation to complement your local efforts by funding District-wide resources to ensure all of our students have access to important educational opportunities.

Over the last few years, your generous support has helped the Foundation provide students with unique opportunities in Science, Technology, Engineering, Art, and Math (STEAM). Review the impact you've had on our students in our [2021-2022 Annual Report](#).

We know funding cuts have forced the District to make difficult choices, and the Foundation works to fill the gap and ensure all students get greater access to a high quality, well-rounded education. With your continued support, we can make progress together in our mission.

For our annual giving campaign, we're asking you to "Give 100" for MDUSD kids – because we know the next generation of inventors, tinkerers, and creative thinkers deserve nothing less than 100% of our dedication.

¡Dé el 100% para los niños!

Mt. Diablo Education Foundation es una organización sin fines de lucro 501(c)3 dirigida por un grupo voluntario de padres, educadores y miembros de la comunidad que creen en la educación pública de alta calidad. Mientras trabajamos en estrecha colaboración con MDUSD, somos una entidad separada e independiente del distrito.

En los últimos años, sus estudiantes se han beneficiado de oportunidades y recursos educativos complementarios en ciencia, tecnología, ingeniería, arte y matemáticas (STEAM, por sus siglas en inglés) financiados por la fundación. Sabemos que los recortes de fondos han obligado al Distrito a tomar decisiones difíciles, y la Fundación trabaja para garantizar que sus estudiantes obtengan una educación integral y de alta calidad. Para poder cumplir con esta misión, necesitamos su apoyo.

Para nuestra campaña anual de donaciones, le pedimos que "De 100" para los niños de MDUSD, porque sabemos que sus estudiantes merecen nada menos que el 100 % de esfuerzo. Estamos sugiriendo una donación de \$100 por familia (\$10 por mes durante los 10 meses de escuela): ya sea que pueda dar \$10 o \$1,000, cada donación hace la diferencia y cada dólar cuenta.

Si su escuela tiene un Club de padres y profesores (PFC) o una Asociación de padres y maestros (PTA), entendemos que es posible que ya haya donado a la escuela de su hijo. Esperamos que considere hacer una donación adicional a la Fundación Educativa Mt. Diablo para complementar sus esfuerzos locales financiando recursos en todo el distrito para garantizar que todos nuestros estudiantes tengan acceso a oportunidades educativas importantes.

¡Gracias por su apoyo! Done hoy: Fundación Educativa Mt. Diablo ([mdedf.org](http://mdedf.org))
