

Successful real estate professionals market MDUSD schools daily

You are invited to join our group of featured Sponsors supporting the Mt. Diablo Education Foundation!

The Mt. Diablo Education Foundation (MDEDF) is a district-wide nonprofit dedicated to the vision of quality education for every student in the Mt. Diablo Unified School District (MDUSD). We bring hands-on STEAM (science, technology, engineering, art, and math) enrichment opportunities to MDUSD students of all ages.

As a Real Estate Agent, you have the opportunity to take advantage of added benefits at all Sponsorship levels. Sign riders are available for you to share on listing signs to show potential clients how important quality schools are, and how local Real Estate Agents like you support our communities' commitment to education.

Sponsorship logos are available in print and web formats for use in virtual and printed marketing material to demonstrate your community values.

How to receive your sign rider:

Make a donation at any of our available Sponsorship levels (or **at least \$350**) for a sign rider reflecting your support during the identified school year. Additional perks available through our Sponsorship program. For more information, visit www.mdedf.org.

STRONGER SCHOOLS = STRONGER COMMUNITY = BETTER HOME VALUES
