What's in a name? Plenty, and we wanted to tell you that we've made a change to ours. The MDUSD Education Foundation is now the **Mt. Diablo Education Foundation**. Why change? We believe that Mt. Diablo better reflects our sense of place, of who and where we are. Folks outside the area don't always recognize MDUSD, but everyone in Northern California knows where to find iconic Mt. Diablo.

Rest assured, our mission has *not* changed one bit. We remain laser-focused on supporting students throughout Mt. Diablo Unified School District, just as we always have. As we move into our sixth year, we look forward, with your help, to providing even more enrichment opportunities to our students.

As always, many thanks for your continued support!
