MESSAGE FROM THE BOARD PRESIDENT

BRIDGET BILLETER

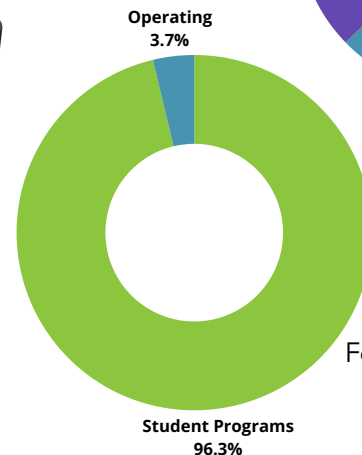

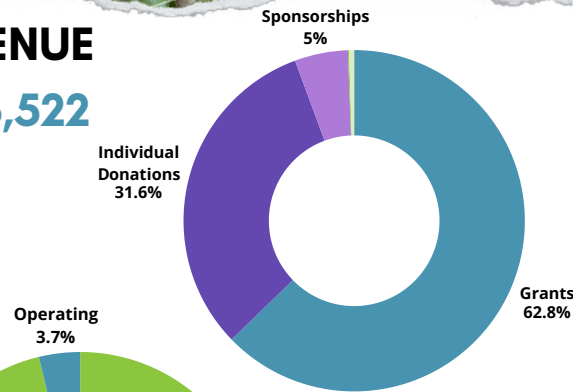

As I conclude my second year as president of the Mt. Diablo Education Foundation, I am filled with gratitude for the strong foundation built by those who came before me, leaders who shaped an organization committed to providing equity-based enrichment opportunities for every student in the Mt. Diablo Unified School District. This past year, we have continued to build on that vision while growing our community of dedicated volunteers, engaged board members, and committed sponsors. Their collective passion and effort turn our mission into meaningful impact for students across the district. Most importantly, I extend my sincere thanks to our donors. Your generosity makes it possible for us to expand and sustain programs that celebrate and support the rich diversity of our community. As we look ahead, I am excited about the opportunities to deepen our impact, strengthen our partnerships, and reach even more students in the year to come.
