Mt. Diablo Education Foundation launches Annual Giving Campaign

The Mt. Diablo Education Foundation has launched its Annual Giving Campaign, called: "Give 100% for kids!"

Here is its message (also in the attached letters in [English](#) and [Spanish](#)):

"The Mt. Diablo Education Foundation is a 501(c)3 non-profit led by a volunteer group of parents, educators, and community members who believe in high-quality public education.

While we work closely with MDUSD, we are a separate, independent entity from the district.

Over the last few years, your students have benefited from supplemental educational resources and opportunities in Science, Technology, Engineering, Art, and Math (STEAM) funded by the Foundation. We know that funding cuts have forced the District to make difficult choices, and the Foundation works to ensure your students get a high quality, well-rounded education. In order to fulfill this mission, we need your support.

For our annual giving campaign, we're asking you to "Give 100" for MDUSD kids – because we know your students deserve nothing less than 100% effort. We are suggesting a gift of \$100 per family (\$10 per month for the 10 months of school) – whether you can give \$10 or \$1,000, every gift makes a difference and every dollar counts.

If your school has a Parent-Faculty Club (PFC) or Parent-Teacher Association (PTA), we understand you may have already donated to your child's school. We hope you will consider making an additional gift to Mt. Diablo Education Foundation to complement your local efforts by funding District-wide resources to ensure all of our students have access to important educational opportunities.

Thank you for your support! Donate today at: Mt. Diablo Education Foundation (mdedf.org)
