MT DIABLO EDUCATION FOUNDATION

**IMPACT REPORT
2023 - 2024**

LETTER FROM THE BOARD PRESIDENT

MARY P. GRAY

I am honored to have served as president of the Mt. Diablo Education Foundation for the past five years, and I'm thrilled to introduce Bridget Billeter as our incoming president. Bridget's proven leadership in supporting our school community ensures a continued bright future for our foundation and our students.

We have a dedicated board that continues to advance our mission to provide inclusive, equity-focused STEAM programs for ALL students in the Mt. Diablo Unified School District. This school year we expanded funding for outdoor education camps, high school and middle school robotics, performing arts assemblies, cultural murals, after-school programs, and more! YOU helped us make these great programs a reality through your donations and event sponsorships, and we are grateful.

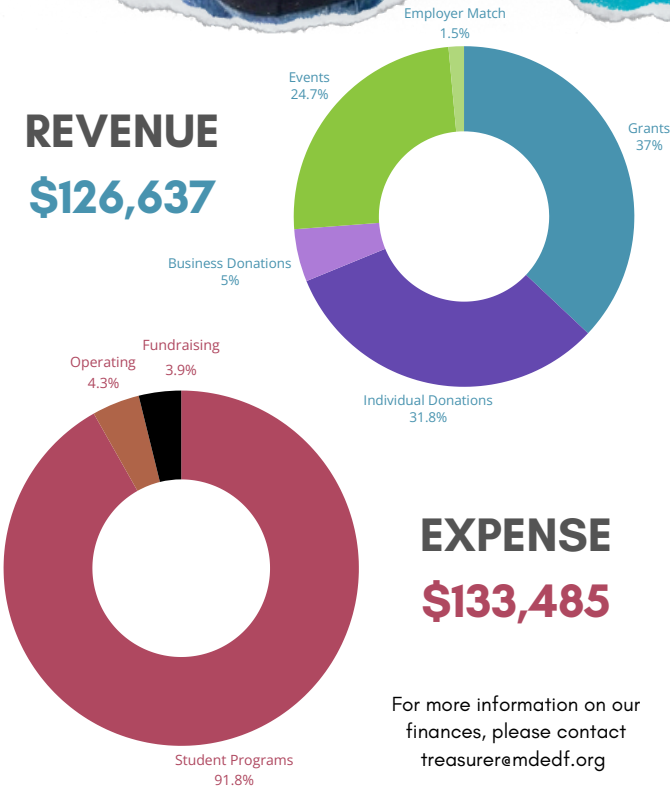

For many Native Americans living here before the Spanish settled, Mt. Diablo was the sacred birthplace of the world. Similarly, for our diverse student body growing up in the shadow of the mountain, the school district is the birthplace of their education. As we enter our 8th year, and with your ongoing support, we will continue to provide outstanding educational opportunities for all of our students.

Full STEAM ahead!
